	Conservators explanatory remarks	Orders of Conservators
	The increase is anticipated from sales to Forests in the Mungaroolee, Bilin and Mahalunge Circles.	
	The decrease is due to transfer to Abstract of Receipts to be collected on firewood removed by contractors from Kirmaranka Forest and to the stock demand in the Hazaree District.	
0	Ditto to stock collections in accordance with less regard to the available stock and increased demand.	
	The increase is due to better revenue under Jungle Produce to be secured should Bhoosa and Grass only subsist and the Exchange fall.	
90	The decrease is due to the less yield of Lac insect in the Tenasserim District.	
70		
50	The decrease is due to the cost of Depots and the increased collections and sales in the Timber Districts.	
	Consumption of firewood is increasing, but the revenue does not increase in proportion. Firewood is subjected and sentinance enabled for want of adequate protection and check of permits. If the proposals regarding removal of Cart & Travel Rules are sanctioned, these defects will be rectified and development of revenue may be expected under this head.	
00	The decrease is due to stock demand in the Tenasserim District consequent on the prevalence of Famine and Scarcity in the adjoining British Territory	
300	Portion of fodder revenue derived from sales of produce in Jungle tracts and an increased area to lands is now credited to Land Revenue. The remainder is

OFFICE OF THE

CONSERVATOR OF FORESTS IN MYSORE.

Rev. Forests.

No. 4238 E. & Statistics 2576 and Home E. Dated 12 & March 1898.

From

COLONEL J. CAMPBELL WALKER,

Conservator of Forests in Mysore.

To

The Secretary to the Government of Mysore,

General and Revenue Departments,

through the Comptroller to the Government of Mysore.

SIR,

With reference to Financial Secretary's Circular No. 1898 [illegible] dated the 16th ultimo I have the honour to submit the Provincial Budget Estimates of Receipts and Disbursements of the Forest Department for 1898-99 together with the usual Notes and Statements thereon.

Receipts. 2. In 1897-98 the Forest Revenue realised from the Forests by Government amounted to

[illegible] as shown in the margin as compared with the Budget Estimate of [illegible] showing an increase of [illegible] under each head as follows:

(Ia) - Under Timber, an excess of [illegible]

Rs 1,23,000/- is anticipated. The expenditure under these heads in the Forests in the Western Circle is mainly to be met in the absence of timber roads and also for facilities. Small quantity will, however, be collected from the more easily accessible Divisional Forests in Kanjarakad, Vellur and Attakulangara Taluks.

(Ib) - Under "Firewood and Charcoal", the decrease of Rs 4,800/- is partly due to transfer to II-b) of Seigniorage to be collected on firewood removed by Contractors from Kannavam Forest (Kolar Division) and other causes including a lack demand in Nasarwadi where the estimated revenue from this source has been reduced by Rs 2,000/-.

(Ic) - The slight decrease of Rs 1,77,000/- under "Bamboos" is owing to short collection and sales in the Bangalore, Nasarwadi Kadur Divisions with due regard to stock available and the current demand.

(Id) - The increase of Rs 44,420/- under "Sandalwood" is chiefly due to higher average rate (Rs 388 per ton) secured this year and which the stock of 2,010 tons proposed to be

the sold, inclusive of 50 and odd tons left on hand) during the budget year has been calculated. Anticipate the sale of the whole of this stock next year at favourable rates, should plague and scarcity subside and the exchange fall. So far as the current year's estimate is concerned we have not been able to realise it, the purchases for European markets having been comparatively small, but we obtained a better average than in the previous year and the short supply taken for Europe and America last year will probably have to be made good during this.

(IV) - The decrease of Rs 1,200/- under "Grass and other minor produce" is due to reduction effected in the Sunkesi District with reference to yield and returns from galbuns which caused material difference in alternate years. In the Nasrau District the previous year's estimate is retained as the District Forest officer hopes to realise it.

3. II Timber and other produce removed from the Forests by Government

on purchasers.

(IIa) Owing to establishment of depôts and increased collections and sales in the principal timber Districts, requisitions for licenses are not now received in such large numbers as formerly. In the Shimoga District, the actuals for 1896-97 were only Rs 47½ - compared with a sanctioned estimate of Rs 6,000/- and actuals of Rs 8,263/ in 1895-96. Next an income of only Rs 5,000/ is estimated for that district during 1898-99 which mainly accounts for the total estimated decrease of Rs 3,½ -.

(IIb). The consumption of firewood is doubtless increasing with the population, but the revenue does not increase in proportion. Firewood, it is apprehended, is often smuggled on payment of seigniorage evaded from want of adequate protective establishments on the chief sources of fuel supply to timber and also for want of proper arrangements for the issue, check and recovery of permits. The total with regard to remission of establishments and Forest Rules now before Govern-

(Government, who calculated to rectify matters and, if achieved early, a considerable development of the revenue under this head may be anticipated. As now estimated, it shows but a small increase of Rs 1,250/-

(II c) - Under "Excise" the estimated decrease of Rs 3,000/- may be more than recouped, should demands both local and foreign arise. It is reported that large sales in 1897-98 and future losses of tapping and tapping by the adjoining British territory affected the revenue under this head in the Shimoga District for 1896-97. The receipts in this District for the first half of the year 1897-98 having been only slightly down the demand is evidently slack. No estimate for the budget year for that District has therefore been reduced to Rs 9000/- (nine) as actuals for 1896-97.

(II d) - Taxation of Forest revenue derived from sale of timber in jungle tracts and an unassessed waste land falling within the definition of "District Forests"

is now credited to "Land Revenue" instead of "Forests" under II.(1). The question has been referred to the Deputy Commissioners and when decided upon in consultation with the Range officers, receipts will in future be credited under this head. A slight decrease of Rs. 370/- (IIe) The revenue under "Miscellaneous Produce" is capable of considerable expansion with the combined efforts of the Taluk Revenue and Range Forest officers. The items of Bangadi and Kakke banks has been entirely taken into the hands of the Departmental officers in all the Districts and managed with good financial results. Gallnuts has been likewise dealt with in the Hassan District with the Co operation of the Deputy Commissioner. Such measures are extended to the Hassan District, hands of which abound in gallnuts, the revenue now obtained from leases of Districts Forests may be largely increased. Meanwhile, the estimate for the budget year shows a decrease of

Rs 8,00/ contributed under this head for the current year (one in each Taluka and Kakkes leases of some of the Talukas in the Kolar and other Districts being reserved) for the following year 1899-1900. The receipts under this head during the current year 1898-99 upto Rs 99,140/- whilst the estimate for 1897-98 is Rs 1,32,500/- and for 1898-99 Rs 1,24,000/-.

4. (Other sources (III and IV (a) to (d)).

The increase and decrease under these heads being but slight, call for no special remarks.

5. The total estimated receipts under all heads for 1898-99 (aggregate) Rs 12,70,000/- which is more by Rs 29,000/- than the revised estimate for 1897-98.

6. Conservancy and Works- Expenditure.

I(a). The decrease under "Timber" of Rs 1,37,1- is due to short collection in the Nagari District for reasons given on the receipt side.

II(b). The increase under "Firewood and Charcoal" of Rs 3,940/- is owing to larger collection of fuel by departmental agency

to

to the firewood depôts in the Kolar District where demand is good.

I(c). The decrease of Rs 1,65[illegible]/- under "Rubber" is chiefly due to short collections in Bangalore, Nagara and Kadur Districts.

I(d). Consequent on a large stock of 500 and odd tons of assorted Sandalwood having been left on hand at the several depôts, provision is made for the collection of only 1,640 tons for the budget year. But compared with 1,281 tons fixed for 1897-98 the proposed collection is larger and hence the increase of Rs 7,275/-.

I(e). The small decrease of Rs 360/- under "Grass and other minor produce" calls for no special remark.

II. The increase under this head of Rs 1,144/- is due to the transfer from I(e) of provision for the temporary establishment employed for the protection of the so-called "New" Reserves in the Bangalore and Kadur Districts pending their constitution as State-Forests and for the establishment maintained at the depôts and stacking grounds in Canara and Kolar Districts.

VII(c)

VII(c) Under "Roads" the decrease of Rs 6,000/- is due to non-plantation.

VII(a) | 2 Provision of Rs 6,000/- under "roads and bridges" has been made for the following works to be executed during the budget year.

(i) Rs 1,000/- for repairing cart tracks in forests to facilitate removal of timber, Sandalwood etc, in the Pranga one, Sunkur, Tyasre and Kadur Districts.

(ii) Rs 1,200/- for opening out cart tracks in certain parts of Kamasandra and Tarasinkadenahalli forests in the Kolar District the amount is required for the purchase during the current official year cannot be utilized.

(iii) Rs 2,000/- for opening out roads and inspection paths in the Chat forests of the Nagarahad Taluk in the Hassan District and for repairing roads.

(iv) Rs 1,500/- for opening out 12 miles of road from Singiki to Nanagiki in the Shimoga District and for repairing forest roads and cart tracks.

(v) Rs 200/- for opening out new cart tracks

in

in the Coimbatore and Trichinopoly Districts.

VII (b). A provision of Rs 8,600/- under "Buildings" has been made for the following works:-

(1). Rs 8,000/- towards the construction of a new Sandal Kobi at Bangalore (please see correspondence ending with my letter No. 3506/200 dated the 23rd January 1898).

(2). Rs 15,000/- towards the construction of Sandal Kobi at Mysore (please see correspondence ending with my letter No. 3869/224 dated the 16th February 1898).

(3). Rs 15,000/- towards the construction of Sandal Kobi at Nassau (please see correspondence ending with Government Proceedings No. H.F. 9-11-140-95, dated the 2nd October 1895 sanctioning the estimate for Rs 46,750/-).

(4). Rs 10,000/- towards the construction of a new Sandal Kobi at Shikarpur.

(5). Rs 4,000/- for the construction of Range Forest officer's quarters at Sorab and Shimoga in the Shimoga District where at these accommodation is not available.

(6). Rs 2,900/- for Sundry repairs to Forest buildings.

buildings in all the Districts.

(7). Rs 2,700/- for the construction of rest houses in the interior of the forests in the Hassan District, and of forest lodges and watching stations in Shimoga, Chitaldrug and Kolar Districts.

VIII (a). The expenditure under "Demarcation" will be greater as demarcation lines have to be laid and around the newly constituted State forests in the Hassan, Kadur and Chitaldrug Districts. Hence the increase of Rs 1,420/-.

VIII (b). The increase under "Commemoration" of Rs 2,000/- is due to provision of Rs 3,000/- made in the Chitaldrug District for the requisition of lands required for the extension of Kirkladi and Joginatti State forests.

The variations under other heads being small, call for no remarks.

9. The total estimated expenditure under all heads of A. "Conservancy and Works" for 1898-99 aggregate Rs 3,00,000/- which is more by Rs 6,700/- for reasons addressed,

Clear

shown the sanctioned estimate for 1897-98.

8. C. Establishments.

I(c) The increase of Rs 1,092/- under "Subordinate Forest and Dépôt Establishments" is due to transfer of provision from I(d) for establishment charges of Executive Range officers and also of provision for permanent Establishment from this head to another specially opened in the printed Budget book issued by the Controller.

I(e) Under "deputation and special allowances" provision has been made for the pay of two Rangers (one at Rs 70 and another at Rs 50) deputed to the Forest Sd, Delhi Diw, as well as the allowance at Rs 40/- to Mr. G. Pitaramaiya, Assistant Conservator of Forests, on special duty, in connection with working plans.

I(f) A sum of Rs 2,400/- is provided under "temporary establishments" to meet the cost of the quasi-permanent establishment maintained since February 1896 in the Head Quarters office and in the District-Forest offices at Bangalore, Kumta, Kolar, Kadur and Shikarpur pending its absorption in the revised scale when sanctioned.

Provision

Government Proceedings No. 6884-7-53-95 dated 1st January 1898 and Government Proceedings No. 1842-43-7-53-95 dated the 14th August 1895.

Provision has been also made for the three Probationary Foresters to be newly entertained at Rs 20/- each per mensem and three scholarships at Rs 40/- each per mensem for the three Foresters who have already undergone the period of probation and will be deputed in the current official year to the Forest School at Dehra Dún for a course of instruction.

The small increase and decrease under II "Travelling allowances" and III "Contingencies" calls for no remark.

9. The total estimated expenditure under all heads of I "Establishments" for 1898-99 aggregates to Rs 2,16,300/- against the re-vised estimate of Rs 2,13,850/- for 1897-98.

10. The estimated total "Receipts" amount to Rs 12,70,000/- and the total expenditure both under "A. Conservancy and Works" and "I. Establishments" aggregates to Rs 6,16,000/- leaving an estimated surplus of Rs 7,16,000/-.

Dated Bangalore 15th March 1898

Draft as

DY. SECRETARY TO GOVT OF MYSORE

F.F. 30 of 1897-98

Read:- 815

Letter No. 4238/256 dated the 12th March 1898. from the Conservator of Forests in Mysore (received with Comptroller's memo No. 2584 dated 7th April 1898) submitting the Budget Estimates of receipts and Expenditure of the Forest Department for the year 1898-99.

Order thereon.

The estimated receipts and disbursements ~~for the year under notice~~, under all heads, including the Khedda Department, for 1898-99 are as follows:-

	Receipts	Disbursements
Forests	12,70,000	5,15,000
Minor Departts agricultural & Miscellaneous.	400	3000
Total	12,70,400	5,18,000

No. 11126-7. 23.5.98
F.F. 22-95

Compared with the 1908 estimates for 1897-98 which amounted to Rs 1250,000 under "Receipts" and Rs. 507,156 under "Disbursements" a net increase of Rs 20,000 under the former and of Rs 7844 under the latter is observed. The decrease of Rs 600 under receipts on account of agricultural experiments is explained to be due to the fact that all mills in stock were sold and the proceeds credited to Govt. under the head "Scientific and minor Departts". While the expenditure under the same head agricultural experiments remains the same as in the year 1897-98.

2. Receipts The most important items under which a large increase is anticipated and the reasons assigned therefor are noted below —

I(a) Timber — Rs 1325 Due to sales of timber from accessible District Forests in the Manjarabad, Belur and Arkalgud Taluks.

(d) Sandalwood – Rs. 44,430. Due to higher average rates expected to be secured, should plague and scarcity subside, and the exchange fall.

II (b) Firewood and Charcoal – Rs. 1250. Due to increased consumption of firewood.

3. The main items showing a decrease and the reasons therefor are shown below:–

I. (b) Firewood and Charcoal. Rs. 4,800. Due to the transfer of ~~the head 2 (b)~~ of receipts to be collected on firewood removed by contractors from Kanaradra Forest to the head 2 (b) and to the slack demand in the Hassan district.

(c) Bamboos Rs. 1970. Due to short collections in sales with due regard to the available stock and current demand.

(e) Grass and other minor produce. Rs. 5200. Due to less yield of gallnuts in the Sunkur District.

II (a) Timber. Rs. 3,950. Due to the falling off in the No. of licenses issued and increased collection and sales in principal timbers destroyed in the forests of Depots and especially in the Sharavathi District

(c) Bamboos. Rs. 3000. Due to
83 slack demand in the Shemoga
District ~~consequent on the~~
~~prevalence of famine and~~
~~scarcity in the adjoining~~
~~British Territory~~.

(e) Other minor Produce. Rs 6500. Due to the
lease of Jangadi and Kakké in the
Kolar District being reserved for
1899-1900.

4. Expenditure. The main
items under which increased
expenditure is proposed
are as shown below:—

A. Conservancy and Works.

I. (b) Firewood and Charcoal Rs. 3970.
Due to larger collection of
fuel for the Depots in
the Kolar District where the
demand is good.

READ—

Letter No. 4238—256, dated the 12th March 1898, from the Conservator of Forests in Mysore (received with Comptroller's Memo No. 2584, dated 7th April 1898), submitting the Budget Estimates of receipts and expenditure of the Forest Department for the year 1898-99.

No. 11126-7—Ft. F. 22-95, DATED BANGALORE, 23RD MAY 1898.

ORDER THEREON.—The estimated receipts and disbursements under all heads, excluding the Khedda Department, for 1898-99 are as follows:—

	Receipts.	Disbursements.
	Rs.	Rs.
Forests	12,70,000	5,15,000
Minor Departments, Agricultural and Miscellaneous ...	400	3,000
Total ...	12,70,400	5,18,000

Compared with the estimates for 1897-98, which amounted to Rs. 12,50,000 under "Receipts" and Rs. 5,07,156 under "Disbursements," a net increase of Rs. 20,000 under the former and of Rs. 7,844 under the latter is observed. The decrease of Rs. 600 under "Receipts" on account of agricultural experiments is explained to be due to the fact that all mills in stock were sold and the proceeds credited to Government under the head "Scientific and Minor Departments," while the expenditure under the same head remains the same as in the year 1897-98.

2. *Receipts.*—The most important items under which a large increase is anticipated and the reasons assigned therefor are noted below:—

I (*a*) *Timber.*—Rs. 1,325. Due to sales of timber from accessible District Forests in the Manjarabad, Belur and Arkalgud taluks.

(*d*) *Sandalwood.*—Rs. 44,430. Due to higher average rates expected to be secured should plague and scarcity subside, and the exchange fall.

II (*b*) *Firewood and Charcoal.*—Rs. 1,250. Due to increased consumption of firewood.

3. The main items showing a decrease and the reasons therefor are shown below:—

I (*b*) *Firewood and Charcoal.*—Rs. 4,800. Due to the transfer of seigniorage to be collected on firewood removed by contractors from Kamasandra Forest to the head II (*b*) and to the slack demand in the Hassan District.

(*c*) *Bamboos.*—Rs. 1,970. Due to short collections in sales with due regard to the available stock and current demand.

(*e*) *Grass and other minor produce.*—Rs. 5,200. Due to less yield of gall-nut in the Tumkur District.

II (*a*) *Timber.*—Rs. 3,950. Due to the falling off in the number of licenses issued owing to the establishment of depôts and increased collection and sales in principal timber districts especially in the Shimoga District.

(*c*) *Bamboos.*—Rs. 3,000. Due to slack demand in the Shimoga District.

(*e*) *Other minor produce.*—Rs. 8,500. Due to the lease of tangadi and kakke in the Kolar District being reserved for 1899-1900.

4. *Expenditure.*—The main items under which increased expenditure is proposed are as shown below:—

A. Conservancy and Works.

I (*b*) *Firewood and Charcoal.*—Rs. 3,970. Due to larger collection of fue for the depôts in the Kolar district where the demand is good.

(*d*) *Sandalwood.*—Rs. 7,275. Owing to larger collections than in the current year.

88

II *Timber and other produce removed from forests by consumers or purchasers.*—Rs. 1,144. Due to transfer from F (*b*) of provision for temporary establishments.

VII (*b*) *Buildings.*—Rs. 4,250. Due to the provision made for the Sandal Kothis at Bangalore, Mysore, Hassan and Chikmagalur, for Range Officer's Quarters at Sorab and Channagiri, sundry repairs to forest buildings, rest houses and watching stations in the Shimoga, Kolar and Chitaldrug Districts.

VIII (*a*) *Demarcation.*—Rs. 1,420. Due to the laying out of the demarcation lines around the newly constituted State Forests in the Hassan, Kadur and Chitaldrug Districts.

(*b*) *Compensation for lands and rights.*—Rs. 2,050. Due to the provision required for acquiring lands for the Jogimatti and Nirthadi State Forests in the Chitaldrug District.

B. Establishments.

I (*c*) *Subordinate Forest and Depôt Establishments.*—Rs. 1,092. Due to the transfer of provision from I (*d*) for establishment charges of Executive Range offices and also of provision for Yemmedoddi, &c., Kaval establishment which has been separately provided for by the Comptroller.

(*g*) *Probationary Foresters.*—Rs. 720. Due to the provision made for th three probationary Foresters to be newly entertained.

(*h*) *Forest Scholarships.*—Rs. 1,440. This provision is due to the thr Foresters to be deputed to the Forest School at Dehra Dun.

II. & III. The slight increases under the heads "Travelling allowances and "Contingencies" do not call for any remark.

5. The important items under which there is a decrease in the estimate expenditure are the following :—

A. Conservancy and Works.

I (*a*) *Timber.*—Rs. 1,373. Due to short collection in the Hassan District owing to extraction of timber from ghat forests being found impossible in the absence of proper roads.

(*c*) *Bamboos.*—Rs. 1,685. Due to short collections in the Bangalore, Hassan and Kadur Districts.

VII (*a*) *Roads and Bridges.*—Rs. 7,100. Owing to the small provision made for repairing and opening cart-tracks in certain forests.

B. Establishments.

I (*d*) *Office Establishment.*—Rs. 1,944. This decrease is due to the transfer of the amount to the head I (*c*) Subordinate Forest establishment and also of provision for Yemmedoddi, &c., which has been separately provided for by the Comptroller.

The other items call for no remarks.

6. With the foregoing observations, the budget estimates as shown below are sanctioned and passed on to the Comptroller, Mysore Government, for incorporation in the Provincial Budget for 1898-99.
